### **General Information**

In the fall of 1971, Central Arkansas Christian Schools, Inc. began with an enrollment of 156 students in grades one through six. Classes were conducted in the educational building of Sylvan Hills Church of Christ. Other units were started later in the educational facilities at the Pleasant Valley, Jacksonville, and Geyer Springs Churches of Christ. In 1978, the junior and senior high school was moved from Jacksonville to the present 36.3 acre campus on Windsong Drive in North Little Rock. Thus, what had long been a dream of many people in Central Arkansas — having a quality facility where young people could be given superior academic training in a Christian atmosphere — became a reality. After many years of careful stewardship, additions, and improvements, the school-owned facility is now valued at more than \$5 million.

### **Appointments with Administrators**

If you wish to contact an elementary principal or the school president, please call the appropriate office to schedule an appointment. Elementary office hours are generally from 7:45 a.m. to 3:30 p.m.

### **Financial Obligation Policy**

Central Arkansas Christian School exists to serve its students and their families and to provide an academic, spiritual, social, and physical education in an encouraging Christian environment.

While this mission is clearly the reason for the school's existence, CAC operates within the business world and must meet its financial obligations. Therefore, the school and parents must enter into a financial agreement to ensure quality and fiscal responsibility.

Parents of students withdrawing from CAC will be responsible for a prorated portion for the present month's tuition if the student attended school during any part of that month.

### **School Hours**

School begins each day at 8:00 a.m. and ends at 3:00 p.m. Students are expected to be in their classrooms by 8:00 a.m. On rare occasions, school will be dismissed early for staff development days, etc. Parents and students will be notified before early dismissal days. Please refer to campus-specific information regarding staggered dismissal times.

### **Chapel**

Central Arkansas Christian Schools' purpose is brought into focus when the faculty and students assemble for chapel each day. Chapel is a time for praise and devotion to God and may serve to edify students with spiritual and motivational themes. Students are reminded to approach this time with serious consideration and appropriate behavior. Chapel is required of all students and faculty members. The pledge to the flag is included as part of chapel each day.

### **Student Insurance**

The school does not carry insurance that covers student injuries. Financial responsibility for any injuries incurred will be the responsibility of the parent or guardian.

### **Lunch**

All students will be expected to eat lunch in the rooms provided. All snacks and cold drinks are to be kept in the cafeteria or other designated areas. A student may not leave campus for lunch except when accompanied by his/her parent or the school sponsor of a group. Parents are welcome to visit during lunch. Lunch may be brought to your child but parents may not bring food for other students. Visitors must sit with their child at the designated visitors' lunch table.

### **Inclement Weather**

As expeditiously as possible, any announcement concerning early dismissal, late opening, or cancellation of school in case of inclement weather will be posted on CACMustangs.org, communicated via the school's text and email notification systems, and sent for broadcast over the local television and radio stations. Because local media stations announce closures at different times, it would be wise to check with more than one source if in doubt. Parents are encouraged to make sure all family communication information is accurate with the school.

### **Promotion/Retention**

Central Arkansas Christian Schools require certain standards of achievement for students at each grade level as a prerequisite for promotion to the next grade level. Retention of students in a particular grade level will be made after prior notification and explanation to the student's parents.

At the elementary level, the teacher and principal will evaluate the student's performance, maturity level, learning progress, etc. to determine whether it will be necessary to retain the student.

Generally, parents of students in grades K-5 will be notified by the middle of the third grading period and given reasons for the recommended retention.

### **Homework**

Homework is one of the contemporary challenges in American education. Generally speaking, CAC parents expect their children to have homework. We believe that homework can be a benefit in the following ways:

- Parents are more aware of the work being done by the child.

- Parents can witness difficulties or successes experienced by the child as they work their assignments, and thus they may better understand the grades received on the report card.
- Time is needed for practice of the skills learned at school and preparation for class discussion.
- Students have the opportunity to discipline themselves to independent study.

### **Report Card**

Elementary report cards will be issued to parents every nine weeks. Standards-based report cards (K-3rd) are aligned with the Arkansas state standards for each grade level and are reflective of student mastery of the standards in each subject area. Scaled-grade report cards (4th-5th) are based on their percentage of accuracy and understanding of the standards-aligned curriculum.

### **Grading Procedures**

Grades are useful indicators of performance. CAC strives to fairly and accurately evaluate learners' performance. Grades, however, ultimately reflect the judgment and discretion of the teacher. In order to make grading more consistent, teachers are expected to use the following grading scale. However, all teachers are permitted to use some subjectivity in determining these grades. Kindergarten, first, second, and third grade students have standards-based report cards.

Grades are calculated according to the following scale:

- 90 - 100 (A)
- 80 - 89 (B)
- 70 - 79 (C)
- 60 - 69 (D)
- 59 & below (F)

An incomplete or "I" indicates that the student has not done or made up all required work or turned in an assignment

An "M" or missing indicates that an assignment has not been turned in to the teacher.

An "E" indicates that an assignment has been excused by the teacher.

Students receiving unsatisfactory “U” in art, music, or physical education will be excluded from the honor roll. Grades in behavior may also preclude a student from being on the honor roll.

If at any time parents wish for more information about their child’s progress, they are invited to schedule a conference with the teacher through the school office. The best learning situation for students occurs when the home and school work closely together.

### **Cheating Policy**

Cheating at CAC is considered a very serious offense. Cheating includes but is not limited to getting unauthorized help from any source on a quiz or test, copying another’s homework and turning it in as one’s own, turning in as one’s own another’s report or project, etc. Teachers are expected to have evidence that substantiates the incident. Seeing the student communicating in any manner during a test or looking as though help is being received from an unauthorized source or from another’s paper during any graded assignment is considered adequate proof. Both the one getting the help and the one supplying the help will be penalized in a consistent manner. Using technology such as calculators, cell phones, computers, or the internet for any type of help that is unauthorized by the teacher will be considered cheating. Teachers shall adhere strictly to these guidelines for cheating every time it occurs so discipline is consistent school wide:

1. The first and every subsequent cheating offense by a student in a teacher’s class during the year will cause a grade of “zero” on that work, conduct evaluation will be lowered for that quarter, a phone call to the parent, and an office referral so the principal can check the student’s record of other cheating offenses.
2. A second offense in any class during that school year will cause the above as well as one (1) day of in-school suspension with a two-point reduction in that quarter’s grade in every subject.
3. A third offense will mean all of the above plus two (2) out-of-school suspensions with a four-point reduction in that quarter’s grade in every subject and a “zero” in all work missed.
4. A subsequent offense shall mean suspension for the remainder of that school year with the right to have application for admission reconsidered for the beginning of the next year.

### **Textbooks and School Property**

All students are loaned a set of textbooks to use for free during the year. These books are to be returned in good condition at the close of the year. Students are responsible for proper care of all books, supplies, and furniture provided by the school. Students who lose or damage books

beyond normal wear will be charged for the loss or damage. Damage to books will be paid for on a prorated basis. Students will be charged 25% of the replacement cost of the book if the book's pages, edges or cover are written on. If the book is abused beyond normal wear and tear (cover or pages torn or missing, etc.) the charge will be at least 50% of the replacement cost of the book. If the book is lost or destroyed the student will be charged the full replacement cost of the book. This responsibility must be taught by parents and teachers. Most required consumable workbook materials are paid for through tuition.

### **Library**

Students are encouraged to use the library at the elementary school, and a library program is designed to bring books to the students both in the classroom and in the library. If a book is lost or damaged, the student will be expected to pay the replacement cost of the book. A student's report card will not be released until all fines are paid and the book is returned to the library.

### **Bible Program**

The curriculum will include daily Bible instruction exalting the Bible as God's divine word. The Bible will be the hub of the curriculum (e.g., in science classes the creation by Jehovah God will be taught vs. creation by spontaneous generation and evolution). The Bible will be used as a text. Workbooks and a variety of visual aids may also be used to reinforce the information learned in Bible study. Respect and honest effort in Bible classes are expected. Students who fail Bible may be asked to withdraw for a semester before applying for readmission.

### **Testing**

#### **Formal Testing**

Central Arkansas Christian Schools' elementary schools administer the NWEA MAP test in the fall, winter, and spring. Teachers, students, and parents are encouraged to discuss test results to best understand their use in the teaching-learning process.

Incoming kindergarten students who have not attended CAC preschool will be screened using the Kindergarten Diagnostic Instrument (KDI) to assess academic readiness, speech, and fine motor skills.

#### **Informal Testing**

Elementary students will be academically assessed on a regular basis by the classroom teacher.

Students with one or more significant learning gaps may be screened using the K-TEA, PAST, WADE, or other applicable test by a qualified staff member.

### **Visitors During School Hours**

Students are discouraged from bringing visitors (friends or relatives) to class during school hours. Parents may visit during lunch, but must first check in at the school office to receive a visitor's pass. For the safety of our students, visitors are not allowed on the playground during recess. Written approval from a parent is required before any other visitor (relative or youth minister) may attend lunch with a student. Those visitors must also check in at the office before visiting the lunchroom. The principal reserves the right to prohibit visitors.

### **Co-Curricular Philosophy**

Ultimately, the co-curricular programs at Central Arkansas Christian Schools will work with all of the other aspects of the school to provide each student with the highest quality education to develop the physical, mental, social, and spiritual aspects of each student. Each sponsor, coach, and director then should strive to model these positive Christian attributes on a daily basis, consistently teaching and demonstrating their enduring value. The co-curricular programs at Central Arkansas Christian Schools exist to support the total mission of the school.

### **School Health Service**

Daily emergency and health needs will normally be handled by school secretaries or other office personnel. All faculty are trained in CPR and/or First Aid.

### **Basic Screening and Health Testing**

Student health services at Central Arkansas Christian Schools shall be provided by volunteer medical personnel (e.g. nurses). These volunteers shall be used as needed to conduct screening tests (e.g., eyes, ears, scoliosis, etc.) and other procedures. Notice of these tests and other items shall be provided to parents through either handbooks, letters, or both.

### **Student Health Records**

Each student must have on file an updated and completed health history form. The minimum requirement for entry into school, regardless of grade, are three doses of Diphtheria/Tetanus (DP pediatric), four doses of polio vaccine. The last dose of DTP, DT, or TD must have been since the child's 4th birthday. One dose of tetanus, diphtheria and acellular pertussis (Tdap) vaccine will be required for children who will turn 11 years or older on or before September 1 of each school year. Previously, the requirement was for a dose of Tdap vaccine for students entering grade 7.

CAC will abide by state laws which require students who are not current on shots be excluded from classes until current. Students will also be required to have two doses of MMR (measles, mumps and rubella), three doses of Hepatitis B vaccine, one dose of Hepatitis A, and two doses of Varicella (chickenpox) vaccine. Beginning in 7th grade, students must also have at least one dose of Meningococcal vaccine and a second dose at age 16 (as of Sept. 1 of the current year).

### **Student Illness**

In order to prevent the spread of communicable disease, parents are expected to keep an ill child home from school for the duration of illness. Certain illnesses, because of their contagious nature, will require administrative approval prior to entry to the classroom. Parents should be careful not to send children to school if they are running a low-grade fever, and they should not return to school until there has been a 24-hour period without fever (without the use of fever-reducing medicines).

### **Medication at School**

All medication should be given to the office personnel and administered from the office. Occasionally, students will require prescription and non-prescription medication at school. Parents will need to inform the school of such needs and sign a document indicating the medication, dosage, and frequency. This applies to Tylenol and other common painkillers. (If taken on an as-needed basis, a permission form may be left on file in the office.) School personnel may not give medications without parents' knowledge or permission. In the event that a student's attendance is dependent upon the administration of medication during school hours, the following guidelines will be strictly enforced.

1. All medications must be brought to school in the original container, which must be labeled with the child's name, medication name and dosage.
2. A form must accompany medication, which shall include:
  - a. Child's name
  - b. Name of medication to be given
  - c. Time at which medication is to be given
  - d. Reason for medication
  - e. Duration of treatment
  - f. Physician prescribing medication, address and phone number (if appropriate)
  - g. Parent's name and signature (dated)
  - h. Copies of this form will be available from the school staff

### **Illness and Injury at School**

An Injury Report Form must be completed on significant injuries, and a copy given to the principal. The school will have a first-aid kit. Parents must provide consent for first aid and this must be renewed annually on field trip forms.

Should a child become ill during school hours and require removal from the classroom, an area will be provided for the child to rest with adult supervision until the parents are contacted and come to pick up the child. Parents should provide the school with phone numbers where they can be reached in the event of an emergency and be prepared to deal with unexpected illness. Parents must pick up a sick child immediately after they have been notified of illness.

Should a child become ill or injured such that the administrator feels delaying treatment until a parent is available would endanger the child, emergency medical treatment will be sought at a local hospital emergency department. A consent for emergency medical treatment must be kept on each student and updated annually. The school will make a reasonable effort to contact parents if an emergency arises due to injury or illness. Certain illnesses, because of their contagious nature, will require administrative approval prior to entry to the classroom.

### **School Attendance**

CAC's attendance policy is designed to teach the value of punctual and consistent attendance in the workplace. For students, the school is their workplace. Parents can help reinforce this teaching by minimizing the number of days their children are absent from school. Days missed from school can never really be made up even though assignments are completed. Class discussions and interaction are extremely valuable and impossible to duplicate; therefore, absence for any reason may result in lower grades. It is vital that regular attendance be an important concern for each student, parent and teacher.

Every child choosing to enroll at CAC who is the age of 5 through 17, both inclusive, must comply with the compulsory attendance laws. These laws require CAC to set a limit on the number of days a student may be absent from school no matter the reason. At CAC, this limit of both approved and excused absences shall be twelve (12) per semester. Students missing more than twenty-four (24) days per school year may be retained. Administrative exceptions may be made in cases of extended illness. For other extenuating circumstances, exceptions may be made if approved in advance.

The parent or guardian is legally responsible for ensuring that children who are subject to the compulsory attendance law do attend school on a regular basis. The Board expects the school administration to seek enforcement of laws relating to compulsory school attendance. To encourage regular student attendance yet allow for necessary or unavoidable absences, Central Arkansas Christian School recognizes three types of absences:

**Excused Absences:** Only those absences due to personal illness, doctor’s appointments which cannot be scheduled after school, death in the immediate family, illness in the family (with administrative approval), or school activities. School activity absences will not count against exemptions.

**Approved Absences:** Occasionally, parents remove students from class for reasons other than these listed as excused. There is a provision for these absences called approved absences. Approved absences must be approved by an administrator at least two school days in advance and arrangements made by the student with the teacher for work due. Absences will be approved during the final week of the quarter only in extreme circumstances. **Approved absences could be denied due to excessive absences and/or borderline academic performance.**

**Unexcused Absences:** Absences that are not excused or approved in advance will be unexcused, and the student will not be permitted to make up work and will receive a “zero” on assignments missed.

**Tardies:** Students who accumulate more than 8 tardies in any semester can become disruptive to the educational process. Therefore, for every 9th tardy one unexcused absence will be assessed.

**Note: Parents will be notified on the 5th tardy.**

For re-admittance after an absence of any kind, a note or email stating the reason for the absence from the parent or guardian must accompany the child. For record-keeping purposes, the parent must send an email or note to the school rather than call. Otherwise, the absence is considered unexcused. In cases of excessive excused absences, a statement from a doctor may be required.

### **Requesting Assignments When Absent**

Parents may request assignments for students who have extended absences by calling the office in the morning on the day they wish to pick up the assignments. Parents are encouraged to wait until a student has missed at least one day before requesting assignments. It is the responsibility of the student who has an excused or approved absence to make up all missed work.

### **Test After an Absence**

Students who miss a day when tests are scheduled are expected to take the test the day they return if they were in class when the test was announced.

### **Timely Completion of Make-Up Work**

Work, including tests, missed during an extended absence (2 or more days) should be completed within a period of time equal to the time missed (i.e., if two days are missed the student has two

days to complete make-up work). The student should check with the teacher to be sure he/she has met the teacher's expectations for all assignments missed.

### **Make-up Work During Vacation**

Students who plan to leave for a vacation will not receive work prior to the trip.

### **Check Out Procedures**

A student will be released directly to the parents or guardians any time a parent or guardian comes to the office in person and signs the child out. Students will not be released to unauthorized persons unless arrangements are made by the parents and the school is clearly instructed as to the arrangements. Please have a photo I.D. ready to show staff members when checking a student out of school.

### **Good Sportsmanship Policy**

Central Arkansas Christian School believes good sportsmanship is an attitude that manifests itself in actions. As Christians those who support Christian principles and behaviors, CAC fans must not abandon their commitment to those principles at the door or gate of an athletic or competitive event. CAC fans cannot afford to abandon their Christian perspective under the guise of "competitive spirit" or "trendy behavior." Fans are not at a competitive event to intimidate or ridicule the other team, fans or officials, but to support and cheer for their team and to enjoy watching skill and competition.

Therefore, students as well as adults are expected to behave accordingly. They should demonstrate positive behavior, cheering on the CAC teams and players no matter what the score is. Students should exercise self-control at all times, especially in the competitive arena.

### **Extra-Curricular Activities**

Students participate in academic contests, sports, field trips and music presentations.

- Students must maintain good academic standing in order to participate in extracurricular activities. Good academic standing is determined by a 70% or better in each curricular area and maintaining good standing in the area of conduct.

- Each participant of an activity must attend a half-day of school on the day of the event unless the event is being held on a weekend. If a child has been suspended for any reason, they may not participate on the same day as a suspension.
- Class interruptions are kept at a minimum, but if situations arise when the student participating in the activity is absent, he or she is expected to do any work missed because of the activity.
- Each student participating in a group is expected to have behavior which would be a credit to the school.
- The dress and appearance of the participant is expected to be neat and appropriate for the activity.

### **Expectations for Students and Disciplinary Responses**

#### **Rationale**

“Blessed is the man that you discipline, O Lord, that you may teach from your Law.” (Ps. 94:12)

“My son, do not despise the Lord’s discipline and do not resent his rebuke.” (Prov. 3:11)

“Those whom I love I rebuke and discipline. So be earnest and repent.” (Rev. 3:19)

At CAC we believe that discipline is a form of love. That it is a God approved and commanded activity that is designed to help children grow emotionally and spiritually (Proverbs 3:11). Indeed, discipline is necessary in relationships in which love and compassion exist. Appropriate learning opportunities can be afforded only in an environment that is free from conflict, distraction, intimidation, and various other influences that result from student misbehavior. Certain student actions are beyond the definition of acceptable student behavior and are therefore prohibited in school.

CAC believes that ultimate responsibility for students’ behavior lies with students and their parents. At the same time, attending CAC is a privilege, and with this privilege comes accountability and responsibility to the school’s expectations. To this end, even when parents and school personnel may disagree about a disciplinary response, it is the responsibility of school personnel to uphold and administer the expectations contained in these policies.

#### **Respect**

CAC students are held to a high standard in regard to behavior and attitude. It follows that students at CAC should:

1. Obey teachers, administrators, bus drivers, secretaries, substitute teachers, student teachers, extended care supervisors, and other adults in the school setting. Defiance, hostility or interference toward authority is unacceptable at CAC.

2. Respect others which would preclude threatening, taunting, teasing, fighting or bullying other students.
3. Respect the property of others. Students who steal or destroy another's property, including the school's, demonstrate a flagrant disregard for others.

### **Inappropriate Behaviors Outside of School**

Behaviors contrary to Christian values and beliefs cast a negative reflection upon the student and the school no matter where they occur. Because students are representatives of the school no matter where they may be, serious infractions occurring off campus may be subject to school disciplinary action. In addition, offenses committed when school is not in session (i.e., summer) may cause a student to forfeit admittance to CAC the following year. A 2007 law added cyberbullying to school anti-bullying policies and included provisions for school officials to take action against some off-campus activities. The law applies to electronic acts whether or not they originate on school property "if the electronic act is directed specifically at students or school personnel and is maliciously intended for the purpose of disrupting school, and has a high likelihood of succeeding in that purpose."

### **Disciplinary Response**

Central Arkansas Christian School may choose any of the following methods of disciplinary response (not listed in any particular order and may not be totally inclusive): Verbal request of change of behavior, loss of privileges (i.e., recess); loss of participation in co-curricular activities; parent conference (phone or personal); loss of credit (in case of cheating); lunch room work detail; probation; suspensions (in-school and out-of-school); expulsion.

An administrator's decision about which disciplinary response is appropriate may depend on the severity of the offense, motive, prior offenses, and effects of the offense. Some offenses may result in a severe response such as suspension or expulsion on the first offense.

### **Search and Seizure**

CAC respects the right of students to privacy and security against arbitrary invasion of their person or property. School officials do have the right, however, to search students and their property in the interest of the overall welfare of other students or when necessary to preserve order and discipline in the school. The search of a student's person may be conducted only if school officials have reasonable suspicion to believe that a student's clothing, purse or other

personal possessions contain stolen items or items prohibited by law or Board policy. Personal searches may be conducted by a school official of the same sex with an adult witness of the same sex present. If law enforcement authorities are involved, complete cooperation will be given to them by school authorities in their investigation.

### **General Behavioral Expectations**

Discipline is a vital part of the education our students receive. CAC expects students to be responsible for themselves, particularly in areas in which principles and specifics are outlined for their benefit. Students must first be informed of expectations then they must be held accountable for meeting those expectations. These guidelines provide the framework by which students at CAC will be held accountable. Not every detail or contingency can be anticipated, so detailed listings of offenses are inadequate. Rather, students will know the rationale behind expectations and several examples. They then make decisions with regard to this knowledge. It is neither the desire nor the intention of CAC to hold students responsible for that which they do not know; in most instances, however, students make choices not from ignorance but from will (Proverbs 15:32). CAC recognizes from time to time it must respond to specific situations that may not be mentioned below. In these instances, the administration will reserve the right to assess judgment and appropriate disciplinary action. A student who persistently disregards the school's expectations and accumulates offenses will be expelled from school or asked to leave.

In some cases, an activity may not be wrong in itself, but the school prohibits it while students are at school or school activities:

1. Students should not bring phones, smart watches, or electronic devices to school as these are potentially disruptive.
2. Students should not chew gum at school or eat or drink without authorization.

### **Student Cell Phones and Smart Watches**

Personal phones, smart watches, and/or electronic devices are not allowed in class during the typical school day. Elementary age students are encouraged not to bring a device to school unless it is determined by the parents that it is necessary for communication purposes after school hours.

For those students who bring a cell phone or smart watch to school, it must be turned in to the office prior to the start of school. All phones and smart watches are to be placed in the basket in the principal's office where it can be picked up after the dismissal bell and with permission from the homeroom teacher. Failure to follow these guidelines will result in the device being taken up and held in the principal's office until the parent of that child personally picks it up.

### **School/Parent Relationship**

CAC believes that a conducive relationship between the school and parents is paramount to student success and growth. CAC expects that parents will communicate appropriately and respectfully with school personnel, recognizing the professionalism and expertise of such individuals and the shared goals of CAC and parents. Additionally, parents should not circulate confidential information regarding CAC, its employees, and students, including through social media and should encourage their children to similarly engage in appropriate communications. If, at any time, CAC determines that the parent/school relationship has deteriorated such that communications between the school and parent are no longer productive, CAC may elect to withdraw the student from enrollment and/or decline to re-enroll the student.

### **Special Deliveries**

Parents sometimes wish to have flowers or balloons delivered to their child at school. To avoid a disruption to the academic school day these items are left in the school office and delivered to the student prior to the end of the school day.

### **Party Invitations**

In an attempt to align with our mission of fostering an inclusive Christian community, students may only distribute invitations for personal parties only if all students or if all students of the same gender in the class are invited. Otherwise, we request that party invitations be delivered outside of school.

### **Private Parties**

CAC recognizes and encourages celebrations and shared student/family times (i.e. birthday parties, sleepovers and other events). At the same time, we must be sensitive to the feelings of all students and parents. Arrangements for these types of events should be made outside of the school.

1. Invitations should be mailed, not handed out at school

2. Birthday gifts, sleeping bags, or other overnight gear may not be brought into the building. We realize that these arrangements may be inconvenient; however, in an effort to be considerate of every family/students' feelings, we will follow these procedures.

## **Suspension and Expulsion**

CAC may suspend or expel students who are unwilling to behave in an acceptable manner and fail to abide by school policies:

1. A teacher may dismiss a student from their class for the remainder of the class period for causing disruptions or other classroom infractions.
2. The building-level administrator of any school is authorized to suspend students from class or school for disciplinary reasons. The administrator may designate either an in-school or out-of-school suspension.
3. When a student has been notified of an out-of-school suspension, he/she must remain away from school premises until reinstated by the principal or designee, except that a suspended student may return to the school premises when accompanied by a parent or guardian for a student-parent-principal conference. An administrator may suspend a student for up to five days and require a parent conference for considering reinstatement. The administrator may exercise this responsibility in the best interest of the school and the student in line with whatever the situation or circumstances demand. Class work missed during any suspension period will not be made up and a "zero" may be given for assignments missed. An exception is made for the first in-school suspension period so that students can make up class work.

Suspension: The following offenses are sufficient grounds for a suspension from school, but are not limited to the following:

- a. Unauthorized absence from school or class
- b. Fighting
- c. Destruction of school property (student will also pay for damages)
- d. Defiant and hostile attitude
- e. Disrespect for authority
- f. Insubordination
- g. Profanity or using suggestive language or gestures
- h. Dishonesty (cheating, lying, deceiving, aiding another to do so)
- i. Use or possession of tobacco products

Any administrator of a school may recommend that a student be expelled from school. A notification to the superintendent would include reasons for the recommendation. # Community Covenant

## *Preface*

Central Arkansas Christian is a PreK-12 school and community that at its core takes seriously the growth of student's through an identified and sound mission of providing a distinctively christian education that fosters excellence, independence and a transforming faith in God. To fulfill the school's mission and to be role models for the Central Arkansas Christian Schools Inc. students and families, all we entrusted within the CAC community- the Board of Trustees, administrators, faculty and staff also commit to live in accordance with the principles found in this community covenant.

CAC recognizes the diversity within the CAC community on certain issues and behaviors. Thus, CAC does not assert that all statements in the community covenant are the final rule, yet, CAC does assert this community covenant fosters common cause and direction from the CAC community in a collective effort to educate and minister to our student body, families, and local community.

## **Covenant**

The foundation of the community covenant and for the CAC mission to be upheld, the members of the Christian community must commit to follow the two greatest commandments as expressed by Jesus Christ in Mark 12:30-31. The first is "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength." The second is "Love your neighbor as yourself."

In acknowledgment of the above statement, members of the CAC community pledge to strive to live according to this mantra.

- We agree with the mission, purpose and spiritual objectives of this school (Mark 12:30-31; 1 Tim. 4:12)
- We agree with the school's Non-Discrimination Policy, Statement of Faith, and Biblical positions.
- We agree to partnering with CAC administration, faculty and staff, and fellow parents and/or guardians in the promotion and provision of a quality, Christian education for our children in accordance with CAC values.
- We agree to make every effort to live at peace and to resolve disputes with each other in private or within the Christian community in conformity. (I Corinthians 6:1-8; Matt. 5:23-24; Matt.18:5-20.

- We agree to be community members of integrity while avoiding slander, gossip, vulgar or obscene language, and blasphemy (Prov. 16:18; 1 Cor. 6:10; Exod. 20:7; Rom. 13:9; Col. 3:8-9; Rom. 13:1-2; 1 Tim. 2:8-10.)
- We agree to treat our bodies with honor specifically concerning issues related to the illegal use of drugs, alcohol, and other addictive behaviors (1 Cor. 6:17-20).
  - As a CAC community member we agree to not illegally use drugs banned by law at any time.
  - We agree to not use tobacco in any form at any and all school-related events on or off campus.
  - Due to the impressionable age of CAC students, CAC community members agree to use alcohol in moderation and understand the need for great caution and responsibility in this area.

## Important Notice

The school reserves the right to alter or amend the plans, policies, and procedures contained in this publication at any time.

Please be informed that the word “parent(s)” will also be used for or in lieu of “guardian(s)”, whether permanent or temporary guardianship applies.

## Final Admonition

There are rules and situations that may not be covered in this handbook. When such arise, it is the hope of the administration that students will adhere to the words of the apostle Paul in his letter to the Philippians: “...whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – think about such things.”
